AMS TRAINING WORKSHIOP

TRAINING ON THE FEATURES OF OUR AMS ALONG
WITH HOW TO PROGRAM YOUR APPLICATIONS

ETREMA Products is offering a special workshop on our AMS technology. This workshop can be used to train new employees who are unfamiliar with our technology or to provide someone a refresher course.

AMS Training Workshop

Objectives of the training workshop.....

- Review the features of the AMS technology.
- Learn how the system operates.
- Gain an understanding of the actuator and the material that makes it happen – Terfenol-D.
- Learn how to program.
- Learn some troubleshooting techniques.
